To Whom it may concern,

Regarding the proposed zoning change for the Fishers Island School's 2.4 acre parcel of land at the intersection of Winthrop and Equestrian Arcades, Fishers Island, NY

This letter is to inform you that I oppose the request for a zoning change on the above parcel and urge the town planning department to deny the request.

Sincerely,

Amy Wilmerding Manny
5318 Equestrian Arc
Fishers Island NY 06390
