Subject: Walsh Park application

I am a resident of Fishers Island on Winthrop Drive. I support the work of Walsh Park and recognize the need to offer housing for people who would like to live on Fishers Island.

As an educator for 20 years, I support the sale of the School property to Walsh Park, to provide funds to help with much needed improvements to the School.

I know the importance of being able to attract good teachers and additional students.

Walsh Park has done a good job with other housing, most recently the work on the Freight Building by the Ferry dock.

I believe that Walsh Park will work with the neighborhood to develop that which is most appropriate for the School property.

Thank you

Alexander Harvey IV
