RE: Change of Zone Application for Fishers Island School/ Walsh Park property -
SCTM#1000-9-10-10

Dear Members of the Southold Town Board,

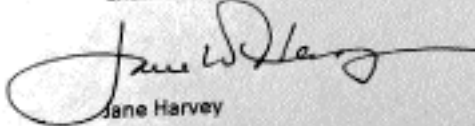

We write to you today to express our strong support for the proposed change of zone of the Fishers Island School District property to Hamlet Density. This project would both support the Fishers Island School and provide the opportunity to develop much-needed affordable residential units for year-round residents of Fishers Island. For the past 22 years, we have resided seasonally on Reservoir Road, approximately ¼ mile from the property proposed for change of zone.

Thank you for your consideration of this matter.

Sincerely,

Charles Curtis
