Subject: Walsh Park Fishers Island

To whom it may concern,

Just writing you in support of the Walsh Park project with the Fishers Island school. It is essential for the longevity of the island to make year around housing affordable and available to people and families that want to commit to the island community. With the benefit to the school, this project is a win win and will help secure the island for future.

Thank you for your consideration.

Sincerely,

Nishan Vartanian
