

March 26, 2021

Dear Fishers Islander,

You are receiving this email as you received your 1st dose of the Moderna vaccine on Island Sunday, February 28, 2021.

You are one of 257 Fishers residents (and qualifying commuting School and Ferry employees) that received the 1st dose and will **receive the 2nd dose on Sunday, March 28, 2021** from Suffolk County's Health Department.

You will need to **bring your driver's license or other government issued ID**, as you did a month ago, **and the vaccine 1st dose card** you received with the CDC logo and date of the injection here on Fishers Island.

On Sunday, March 28 at Fishers Island School the Suffolk County led C-19 vaccine team will set up with the Island Health Project staff and FIFD EMTs certified as vaccinators.

- **Plan to be on Island on Sunday.** If you miss this appointment you will have to schedule one at a Suffolk County 2nd Dose POD* on Long Island.
- **Your appointment time is the SAME TIME** as it was on Sunday, February 28** sometime between 9:00 am and 1:30 pm at Fishers Island School. If you need to confirm the time, please text Jane at 203-801-8431 and you will receive a text back.
- **Sunday morning you may receive an email/text reminder from Suffolk County** with an appointment time of 12:00AM - please ignore that time. The message may include simple health related questions like, "How do you feel today?". **Please reply before your appointment if possible.**
- Please make yourself available for your given assigned time
- **Appointments may NOT be rescheduled or transferred**
- **You may arrive at FI School for your appointment no earlier than 15 minutes** before your turn.
- You are receiving this email because you are ON THE LIST for a vaccine.
- Please **do not call IHP to confirm!**
- You will be observed after the 2nd injection for 15 minutes in the gym.
- Once you have your 2nd C-19 vaccine dose you will be considered fully vaccinated 2 weeks later on Sunday, April 11.

See you Sunday!

Many thanks,

IHP Team
